Dear Sir:

Please place in the file the enclosed prior art document (DE 298 03 987) and office action issued in the corresponding German patent application. Applicant does not believe this prior art document to be relevant to the U.S. patent application. Also, as indicated in the enclosed office action, the German examiner announced that he will grant the corresponding German patent after correction of informalities. Applicant is submitting the prior art document and German office action merely for completeness of the U.S. patent application file.

Dated: September 8, 2005

Respectfully submitted,

By Laura C. Brutman
